These AMC's continue to make more and more demands on these reports that have zero effect on the valuations of the reports and offer up "NO" additional fee increases. The amount of work that has gone into completing an appraisal report in the last five years has at least doubled if not more and our appraisal fee has gone "DOWN". You as a governing board has decided to delay the proper rise in our fees until 4/1/2011 when it should have been long before today. We keep getting shafted and it's high time it end. It's time some common sense be installed into our lives.
