Hi, I am a huge AMC and just wanted to thank you for allowing us to rob, pillage and steal cash from appraisers! Thank you for understanding how much we want fast cars and boats...we would NEVER have been able to do this any other way. Do you realize how much we earned delivering pizzas? Oh..and some of us even have served jail time but the way things are now we are AMC's making tons of cash. Receiving and sending an order and getting paid HUNDREDS of dollars for that....and the orders come from the companies that OWN US! Wowee this is great. We utilize such statements as "NEVER DISCUSS WITH THE BORROWER HOW MUCH YOU WERE PAID FOR THIS ASSIGNMENT"....seriously, do you know how ANGRY the borrowers would be if they also found out that the appraiser was being paid \$175 out of a total fee of \$400...its so funny! Next, perhaps we can do this with Home inspectors, Plumbers, Electricians. Anyway, glad to be a part of the club...i have gotten so bloated and fat I can barely reach the keys to type this...oh wait..another order just came in from Big Failed Bank....Oh my god...a \$600 fee and I just happen to have an appraiser here who will do it for \$175 because he is starving. Thanks!!!! Keep it up!
