Please submit all the information required on the left for the people receiving this to the sender, it is only fair.

Comment:

With Barney Frank involved, I find the concern minimal with regard to Fannie Mae and Freddie Mac appointees that he hamstrung our economy.

Sen. Frank, should quite frankly, remove himself as he is quite notably a "Peter Principle" person in his position.

We have enough problems without his additional nepotism involvement in the important parts of our functioning economy, as our current condition reflects.

Sincerely,
