To Whom It May Concern: So it's really true huh? Take away people's home through foreclosure; so called natural disasters; close up sources of money from the theiving banks and mortgage companies; force people into concertration camps, because they can find anywhere to live and 1 world order is in the pocket?! You guys could care less about anyone other than yourselves and lining your already overflowing pockets with all of the kickbacks and takebacks you now enjoy and I say to that---ENJOY IT WHILE YOU STILL CAN. What goes around ALWAYS, ALWAYS comes back. You might be serving Satan now (much to your detriment)for what does it profit a (so called) man to gain the world and lose his soul? Satan (and his spawn) might look like they're running things now, but God is the same---yesterday, today and forever. He doesn't change. Even if man does. Standing in the way of home ownership. SHAMEFUL.
