Proposal: Regulation Z; Truth in Lending
Document ID: R-1417
Document Version: 1
Release Date: 04/19/2011
Name: Jack Martin

Comments:

We need to maintain the right of citizens to form private contracts without unnecessary regulation. If a private individual wishes to sell a home (or any other legal item) without third party financing or credit criteria that is, and should remain, their right. Seller carry-back financing did not create the mortgage crisis, over-manipulation of the markets by the federal government did.
