Comments:

I am desperately frightened that you will create regulations that will preclude investors from seller financing houses to owner occupants. Investors are not the problem! It was wall street and the greedy banks, and they have bankrupted America. Anyway regulating investors in ways that prevent their ability to owner finance houses to occupants will absolutely DESTROY a Huge part of the housing economy. You should know that it is investors who are buying the foreclosure and distressed houses. They are the ones who are slowly salvaging the house market. If you put them out of business, you will DESTROY the house market. Buyers using Conventional lenders ARE NOT able to buy, and they won't be any time soon. Read the headlines. PLEASE BE CAREFUL. You have the power to destroy
