Release Date: 04/19/2011
Name: Robert Schisler

Comments:

Another way for the government to assist the banking industry at the expense of the American citizen. Many elderly sellers will suffer by not being allowed to help finance their properties to an interested buyer. Just another way for the government to help the rich banks at the expense of the working class. Stop this raping of the American citizen for the benefit of the thieving bank industry.
