Proposal: Regulation Z; Truth in Lending  
Document ID: R-1417  
Document Version: 1  
Release Date: 04/19/2011  
Name: Pete Prosser  
Affiliation: National Association of Realtors

Comments:

This rule would dramatically impact prospective homeowners ability to own a home. A significant number of leading economists has commented on the impact real estate has on our economy. It would be a great detriment to potential homeowners and each segment of the many businesses that rely upon the housing market. I urge you to not to take away the rights of home sellers by eliminating seller financing and reject the addition of the rule to the regulations.
