Proposal: Regulation Z; Truth in Lending  
Document ID: R-1417  
Document Version: 1  
Release Date: 04/19/2011  
Name: Brian Becker

Comments:

While I fully understand the problems seen with predatory lending practices seen with commercial lenders in the past decade or so, this proposed ruling will cause significant unintended harm as written. Please revise it to exclude any and all seller financing. Without such changes the rule will effectively eliminate seller financing at a time in our history when it is needed most, and takes away freedom from both buyers and sellers. Thank you.
