Comments:

Why are you punishing property sellers whom want to carry back a mortgage? The Wall Financial Giants, FNMA, Freddie Mac and Banks are responsible for this mess, not individual citizens. This is nothing more than the Progressive Democrats taking away our financial rights. At a time when Bankers are not lending, it's one great solution to being able to sell property that has been ruined. Soon you will have no one to tax as their incentives and opportunities will have been abrogated
