Comments:

Our Government should have the ability and the right to administer rules to the lending institutions that they bailed out with Tarp funds, etc.. but IN NO WAY SHOULD OUR GOVERNMENT be allowed to similarly dictate to the American People how they can sell their home, or under what terms they can sell their homes with owner financing. Govern what needs to be Governed; Home Ownership with Owner Financing is NOT causing harm, is NOT part of the lending downfall.. and DOES NOT NEED TO BE GOVERNED. Thank you.
