Proposal: Regulation Z; Truth in Lending
Document ID: R-1417
Document Version: 1
Release Date: 04/19/2011
Name: William Blakely

Comments:

I am strongly against this regulation which will impact the ability of those who cannot qualify for a loan to become homeowners with seller financing instead. I have only bought homes with seller financing and can't beleive my goverment is doing this to me. These restrictions will all but do away with seller financing, which will have a negative impact on housing, existing property owners, those desiring to be property owners and the economy.
