Document Version: 1  
Release Date: 04/19/2011  
Name: Tiwana Robinson

Comments:

As an investor and homeowner this law should not be allowed to get into affect. Without Seller financing millions of American's will be homeless. They are unable to get regular mortgages and to pay existing one's with the high interest rate that have been placed on them. Ma and Pops that are renting out their homes just to eat and survive to keep their heads above water will be without enough money to get meds. We can not allow this to happen.
