Proposal: Regulation Z; Truth in Lending
Document ID: R-1417
Document Version: 1
Release Date: 04/19/2011
Name: Gary D Chaplin

Comments:

This legislation is another tightening of the noose by banks on the American public and should be turned down flat. Banks have already shown themselves to be ruthless in their dealings with the public through the government's help. You collectively have no business enacting this legislation and I will vote in the next election against any and all of my representatives who vote for this bill.
