Proposal: Regulation Z; Truth in Lending  
Document ID: R-1417  
Document Version: 1  
Release Date: 04/19/2011  
Name: David G Rose

Comments:

This rule is nonsensical. Please do not enact it. If you do it will end up being used here in the UK where we seem to follow everything the US does, good or bad! No State has the authority to intervene in the business conducted independently between two citizens. It is THEIR property and THEIR money. Why should private citizens pay the price of mistakes made by the financial establishment. Your bureaucrats are creating bureaucratic heaven for themselves - nothing more. Butt out!
