Stop attacking seller financing. Ownership is legally defined by rights of (1) use (2) control (3) freedom to dispose. The Govt. is the WORST possible steward of assets (proven over and over again). Property owners at the CONSUMER level should NEVER be told HOW they can dispose of THEIR OWN PROPERTY. The U.S. was established as a CONSTITUTIONAL REPUBLIC for a reason. To keep Govt. OUT of such matters. Do NOT keep pushing us from Republic -] Democracy -] Oligarchy.... our forefathers gave us the freedoms to make property decisions at the citizen level for a reason. Stay OUT of free market cycles, and do NOT limit the rights of property owners with regard to HOW they dispose of THEIR property.
