

Proposal: 1410 (7100-AD69) - Incentive-Based Compensation Arrangements

Description: Joint notice proposing rules to implement section 956 of the Dodd-Frank Act. The proposed rule would require the reporting of incentive-based compensation arrangements by a covered financial institution and prohibit incentive-based compensation arrangements at a covered financial institution that provide excessive compensation or that could expose the institution to inappropriate risks that could lead to material financial loss.

How can Washington continue to allow Wall Street greed wipe out the future of Main Street America? They have swindled all of us and continue to do so. It is obscene how government officials bow down to these bottom-feeders to the detriment of their constituents. TAX THEM, NOT US!!!
