

Proposal: 1410 (7100-AD69) - Incentive-Based Compensation Arrangements

Description: Joint notice proposing rules to implement section 956 of the Dodd-Frank Act. The proposed rule would require the reporting of incentive-based compensation arrangements by a covered financial institution and prohibit incentive-based compensation arrangements at a covered financial institution that provide excessive compensation or that could expose the institution to inappropriate risks that could lead to material financial loss.

It's unfair that the Wall Street bankers who caused the economic crash and who benefited from generous bailouts continue to make astronomical salaries and bonuses. Please do all within your power to curb their greed and to stop their risky behavior.
