Subject: FRANK DODD and SOCIALIZATION OF AN INDUSTRY - APPRAISING

FRANK-DODD is an absolute joke and so are the idiots who voted for it.
SOCIALIZATION OF AN INDUSTRY.

30 years in business and I never thought the gov would put me out of business.
I use to employ 15 - 35 appraisers in the state of Florida and do in excess of
\$1,000,000 per year until obama came in to office and his little minions. ALL
MY PEOPLE WERE LAID OFF 5/1/2009.

I have competed less than \$30,000 in the 1st 3rd of this business year and the
management companies DO NOY PAY FULL FEES - TAKE UP TO 6 MONTHS TO PAY. They do
not pay attention to LAZY UNCARING politicians.

WAKE UP AND SMELL THE REAL WORLD OR GIVE ME A GOVERMENT JOB WHERE I DO NOT
HAVE
TO WORRY ABOUT SURVIVAL. AND I CAN TAKE VACATIONS, SICK AND PERSONAL DAYS
HOLIDAYS ETC.

CHECK OUT STREET LINKS FOR THERE FEES, YOU WON'T - YOU WILL JUST CONTINUED TO
COLLECT YOUR PAYCHECKS.
