Docket No. R-1417 and RIN No. AD7100 AD 75

To Whom It May Concern:

Regarding the above proposals, why not just bring back the Ten Commandments: THOU SHALT NOT COVET THY NEIGHBOR'S GOODS and THOU SHALT NOT STEAL. Or is that asking too much of people, banks and Wall Street in general? Oops, almost forgot this one: THOU SHALT NOT BEAR FALSE WITNESS AGAINST THY NEIGHBOR.

There you have it. Takes less than a page and doesn't take a million lawyers to try to find ways to circumvent the rules, which is what they not only do now but just THINK they are getting away with it. How surprised they will be!!!

Sincerely,

Someone affected via a family member.

P.S. And don't get me started on the government giving oil and gas companies exemptions so they can pollute our air.
