Proposal: Regulation OO - Supervised Securities Holding Companies Registration
Document ID: R-1430
Document Version: 1
Release Date: 08/31/2011
Name: Clifford Mitchell
Affiliation:

Comments:

No securities holding companies should elect to be supervised by the Federal Reserve. My believe that the lack of leadership at the FED Districts as not to be able to know an Original Document such as Surety Certificate when presented. Do not need to supervise any more entities.
