

From: Troy L. Wilson Sr.  
Proposal: 1442 (RIN 7100-AD 87) Regs H, Q, & Y Regulatory Capital Rules  
Subject: Regs H & Y Regulatory Capital Proposals

---

Comments:

Please extend the comment period which was too short to allow thoughtful and meaningful comments on this onerous regulation on community banking. No wonder we can provide the base to create jobs getting hammered by such regulations every way we turn.

Please extend the comment period for the sake of the country.

Troy L. Wilson Sr.
