

From: Kelly Schwartze
Proposal: 1442 (RIN 7100-AD 87) Regs H, Q, & Y Regulatory Capital Rules
Subject: Regs H & Y Regulatory Capital Proposals

Comments:

Stop punishing the small community banks for what the larger banks have messed up. This will affect my bank tremendously, my neighbors, my community, and ultimately my job!!!!

The comment deadline needs to be extended to allow meaningful input and response by our industry.

Best Regards,
