Proposal: 1432 (RIN 7100 AD 82) Reg. V V - Proprietary Trading and Certain Interests In, and Relationships

Subject: Volcker Rule -- Prohibitions and Restrictions on Proprietary Trading and Certain Interests In, and R

Comments:

I support a stron "Volker" rule for finanacial regulations. Wall Street and the banks are getting away with too many shady deals, and I'd like to see something along the lines of re-enacting Glass Steagall occur.
