

From: John Alexander

Proposal: 1432 (RIN 7100 AD 82) Reg. V V - Proprietary Trading and Certain Interests In, and Relationships

Subject: Volcker Rule -- Prohibitions and Restrictions on Proprietary Trading and Certain Interests In, and R

---

Comments:

It's time to get on the banks case for risky investments. It's time to not cave in to corporation and bank pressures for their own greedy financial profit. It's time for teeth in financial reform-real reform, not with loopholds. It's time for the glass-steigal act and the like. Hold the bank's feet to the fire,

Thank You, John Alexander,PhD
