Subject: FR Y-14Q / FR Y-14M Comment

Dear Sir/Madam,

We would like to submit an inquiry on the proposed modifications to the FR Y-14Q submission:

In Appendix B, Level 1 and Level 2 Business Lines are based on a Banking operating model which differs from MetLife's insurance operating model. MetLife proposes that it would instead apply MetLife's insurance business lines consistent with MetLife's prior submissions.

Please advise.
