Subject: Volcker Rule -- Prohibitions and Restrictions on Proprietary Trading and Certain Interests In, and R

Comments:

The "newscasters" on Saturday Night Live used to do a skit where they would say "really?" in mock surprise when someone did something incredibly stupid.

Please allow me a "REALLY?" moment regarding JP Morgan Chase and ALL the rest of the TBTF banks.

- "JP Morgan lost \$2 BILLION on a really stupid trade? REALLY?"
- "What's that? It's already up to \$3 BILLION? REALLY?"
- "Could go to 4? REALLY?"
- "WE HAVEN'T LEARNED A ~~expletive~~ THING ABOUT THESE GUYS FROM THE WORLD-WIDE FINANCIAL MELTDOWN AND WE'RE GOING TO LET THEM CONTINUE TO PLAY BOTH SIDES OF THE TRADING FENCE AND LET THE CONSEQUENCES BE DAMNED?"
- "REALLY?"
- "REALLY?"
- "REALLY?"

MEANINGFUL VOLCKER RULE NOW!!!!

~~expletive~~ MAROONS
