

From: Sylvia Strike
Proposal: 1432 (RIN 7100 AD 82) Reg. V V - Proprietary Trading and Certain Interests In, and Relationships
Subject: Volcker Rule -- Prohibitions and Restrictions on Proprietary Trading and Certain Interests In, and R

Comments:

The financial institutions in the USA are no longer capable of restraint or assessing risk in investments. Why not just restore the Glass Segal Act which worked quite well for years? Something has to be done because these disruptions have a worldwide effect. Now is the time to do something about this situation.
