

From: Jack Miles  
Proposal: 1479 (RIN 7100-AE10) Regulation: Physical Commodities-FHCs (ANPR)  
Subject: Physical Commodities-FHCs

---

Comments:

I'm not allowed to stockpile certain commodities, such as gasoline. To do so I would be risking jailtime and fines. Banks should not be treated any differently...if you wanna be a "person", that comes with certain restrictions...even if realistically no bank or banker will EVER see a jail cell or be held personally responsible for illegal decisions.

Please: PROVE to us that you're not corrupt to the core.
