

From: Ben Shafer
Proposal: 1479 (RIN 7100-AE10) Regulation: Physical Commodities-FHCs (ANPR)
Subject: Physical Commodities-FHCs

Comments:

Just imagine if every government agency did their jobs. Not just the parts that help their friends and destroys their enemies, but their entire job. Looking out for what is best for the country not corporations or politicians and their parties.

I don't believe that this or any government agency dealing with billions of dollars cannot be corrupt. I just don't see it.

Thank you for considering my comment,

Ben Shafer
