

From: George Deitz
Proposal: 1479 (RIN 7100-AE10) Regulation: Physical Commodities-FHCs (ANPR)
Subject: Physical Commodities-FHCs

Comments:

Get the banks out of the trading business. Why do we let them trade with public (my) money? We need banking, but do we need bankers anymore?
We let them keep the profits, but when they fail, we bail them out!
