

From: Jackie Aase
Proposal: 1479 (RIN 7100-AE10) Regulation: Physical Commodities-FHCs (ANPR)
Subject: Physical Commodities-FHCs

Comments:

The banks are totally out of control and are putting our country at risk again....and SO ARE YOU if you don't act. Besides forbidding commodity speculation, investment banking needs to be separate from "regular" banking (as it was in the past) to protect our economy and citizens. Please act ASAP.
