Your comment: Pretty disgusted with the Federal Reserve. I would vote to abolish your institution immediately. You have grown to be an out of control institution with no meaningful oversight. Working only to enrich your masters and not the American public. I'm disgusted at the level of market manipulation The Fed and your member banks are engaged. Most distressing is your QE policy and the obvious manipulation to slam the gold price. Americans need to stand up and oust you lot. I'm hoping your days are numbered. Listen to the people. Stop your corrupt practices and manipulations.
