Your comment:All of you are corrupt. Its all about your pocket. Whats im it for me huh? Really send me some (expletive) fake (expletive) money that truly holds no value. You cant back up your money with (expletive). You guys keep doing this to the people they will rise up. We are tired of all the laws to protect the elite. What about the people like me who have a voice im just a (expletive) sheep for you people. Im a slave to the dollar. The dollar is not real,it holds no true value. Who ever is reading this ask yourself, did you obtain this job just for the money or did you truley want to make a difference in the world. The elite are out of control and we the people who which you work for and make fake money for are sick and tired of your policies. Stop making so many laws and protecting the illuminated and the rich. You all keep poking a dog with a stick long enough he will bite.you are nothing but an evil cartel who where suites and ties. Im a land surveyor a true patron of my founding fathers land. Where are all the engineers and surveyors at in office now? You all hand select and bribe everyone you touch with your dirty money. Its time the government over throws private banks and takes control over the situation. You crooked (expletive). Send me some dirty money so I can take care of my family its time you bribe me. Give me a job give me your money. You have it all but your all are so greeding. If you cant make a return you will not do it. I say no Expanded Examination Cycle for Certain Small Insured Depository Institutions and U.S. Branches and Agencies of Foreign Banks [R-1531] thats a fact jack. Sincery ryan rose the sheep.
