Proposal: 1625 Potential FR Actions to Support Interbank Settlement of Faster Payments

Subject: OP-1625 -Potential Federal Reserve Actions to Support Interbank Settlement of Faster Payments

Comments:

NONCONFIDENTIAL // EXTERNAL

I have given this great consideration. It is time for our Payments Systems to move as fast as Data. We should be a cash liquid country.

Payments should Settle in real-time and be completely accessible to the benefactor.

24x7x365 days/year. I believe the Fed Res is moving in the right direction.

Thank you for allowing the stakeholders to submit there comments.

Kindest Regards,

Patrick O'Brien
