Address line 1: 8540 Executive Drive

Address line 2:

City: Lincoln

State: Nebraska

Zip: 68512

Country: UNITED STATES

Postal (if outside the U.S.):

Your comment: I believe strongly that this country needs to have a faster settlement infrastructure which supports real time payments in this country. I believe that this should be put in place by the Federal Reserve as well as some kind of liquidity Management tool. I would hope that access to this real time solution would be a secure and reliable solution, which is why I would like to see it done by the Federal Reserve. Access should be to financial institutions in this country.
