And For the last few years in Ohio My Indigenous Post For Community economics, De jure Law and education have been monitoring by record Affidavits and documents Our Community bankers and public officials in The City Of Youngstown Ohio. A Massive banking Criminal Organization of family franchised bankers that has for decades economically demised, The Poorest Urban communities in Ohio for organized crime and Discrimination of contracts. Deprivation of rights , Colorable Law.

Banking Loans and community Support are organized by corrupt public officials Who Have been Accounting Defacto Loans, debt notes and stolen tax credits to finance there own agendas and City Contracts. Plunging The City into Economic peril and leaving future leadership and Ethnic Blackamoor Community's recycled back into poverty zones that will never recoup its falling neighborhoods. Abandoned homes, schools, parks, playgrounds and Failing school systems. I believe Our community leaders have no Recollection on The Community Reinvestment Act which was put in place for Communities to Insure Its God giving Right Grow Businesses restore commerce and economics, small businesses, New Schools , Community participation in a downward spiraling City, Banks are Capitalizing and marginalizing opportunity's With Public officials , private Contracts and upper class loans That rob the community of its Gras roots Entrepreneurs, Small businesses Growth And Real Commercial energy The people. I would like to Connect and extend my Status Indigenous Moorish Banking Credit And Signature To my Community And To The Cleveland Federal Reserve Program "

The Community Reinvestment Act (CRA), enacted in 1977, requires the Federal
