Proposal: 1748 (AG15) Regulation II - Debit Card Interchange Fees and Routing

Subject: R-1748; Regulation II - Debit Card Interchange Fees and Routing

Comments:

NONCONFIDENTIAL // EXTERNAL

Dear Secretary Misback

Thank you for the opportunity to comment on Debit Card Interchange Fees and Routing. The cost of accepting debit cards and the growing obstacles to accessing competitive networks is impacting businesses and the customers they serve every day. With this in mind, I urge the Federal Reserve Board of Governors to take immediate action to enforce the routing competition provisions and reduce the regulated rate as required by law.

Thank you for your consideration.

Regards,
Michael Green
