Your comment:I am providing input to San Bernardino County's Community Reinvestment Act (CRA) 25 Year Revision. Victor Valley High Desert Section of the CRA Revised Plan. These are the components that I believe should be added to the revision to ensure equity and oversight to all components of the CRA. I am also requesting to participate in any strategic Planning Activities. The components are as following.

1. Educate the community to understand the purpose and power of the CRA. 2. Build EQUITY into every component of the CRA. 3. Create a common data repository that is easy to access, understand and is transparent to the community. 4. Provide oversight to monitor CRA goals. Make funding available funding available by the bank to community-based organizations and non-profit organizations to help to set strategic CRA goals, develop, administer, and provide oversight to the various cities across San Bernardino County's High Desert.

Thank You for your considerations, Delores Williams, President & CEO, Millionaire Mind Kids (MMK)
