Zip: 78028

Country: UNITED STATES

Postal (if outside the U.S.):

Your comment: My comment may not fit with the topic, however, I just want to say: please hire blockchain experts, because this is the future. The entire banking SWIFT infrastructure can, should, and eventually, will be replaced by a blockchain. The US Dollar will eventually become a digital currency as well. Please incentivize and subsidize Bitcoin mining, it's an excellent geopolitical strategic decision. Thanks.
