Proposal: 1748 (AG15) Regulation II - Debit Card Interchange Fees and Routing

Subject: R-1748; Regulation II - Debit Card Interchange Fees and Routing

---

Comments:

Dear Secretary Misback,

Fee Visibility

I would like credit/debit processors to be required to send the cost of the authorization back with the authorization and to have no regulations on how or if it is passed on to the customer

Sincerely,

Andrew Burkholder
