Re: <u>Request for Extension:</u> Framework for the Supervision of Insurance Organizations

Docket No. OP-1765

Dear Ms. Misback,

I write on behalf of the Insurance Coalition, a group of insurance companies and other parties with an interest in sound insurance regulation. We share a common interest in federal supervision of insurance savings and loan holding companies. In this case, we are writing because several of the Insurance Coalition's members would be directly subject to the proposed Framework for the Supervision of Insurance Organizations (the Proposal) issued on January 27, 2021. Specifically, we are writing to request an extension of sixty (60) days beyond the current comment period, which currently ends on April 5, 2022.

We greatly appreciate the open process and look forward to a continued dialogue. We are committed on behalf of our members and the entire insurance industry to provide as thoughtful and as detailed a response to the Proposal as possible.

Because we are committed to a comprehensive response to the Proposal, we believe that the current comment period is too short to permit such a thoughtful and thorough response. Therefore, we respectfully request an additional sixty (60) days beyond the current deadline of April 5, 2022.

Thank you for your consideration of our request. We look forward to a continued dialogue on this important rulemaking. Please do not hesitate to contact Bridget Hagan (<u>bridget@mindsetdc.com</u>; 571-212-2036) with any questions regarding this request.

Sincerely,

mont Hay

Bridget Hagan Executive Director, the Insurance Coalition
