Your comment: Be careful of platforms promising huge returns. They lure people into fake programs. I was scammed of 98,450 USD last year by abeonacoin. In attempt to recover my funds, I came across several recommendations on Bitcoin Abuse Forum about RecoveryChef. I contacted him via his email on RECOVERYCHEF @ TECHIE. C OM and he helped me recover my stolen funds. If you've also been a victim of financial scams, don't hesitate to get in touch with RecoveryChef.
