Address line 2:

City:

State:

Zip:

Country: UNITED STATES

Postal (if outside the U.S.):

Your comment: While this topic is slightly above my pay grade, I do hope the government is careful in this decision. While some regulations are beneficial, government involvement ultimately tends to cost Americans more financially. Access to capital is of grave importance. Please carefully weight the impact of this, and any regulations, on the benefit vs. the detriment to the American public. Thank you for your service.
