

## DIRECTORS--Elections; Classification of Member Banks

Upon completion of the annual review of bank classifications, the Division of Federal Reserve Bank Operations should be furnished with a tabular array showing member banks according to capital and surplus, with those having the smallest capital and surplus being shown first. The table should be prepared in the form previously used for this purpose, as shown below.

NUMBER AND CAPITAL AND SURPLUS OF MEMBER BANKS IN \_\_\_\_ FEDERAL RESERVE DISTRICT,  
GROUPED ACCORDING TO CAPITAL AND SURPLUS

Based on \_\_\_\_ condition reports

---

		<i>Cumulative figures</i>	
<i>Capital and surplus</i>	<i>Number of banks with capital and surplus shown</i>	<i>Capital and surplus</i>	<i>Number of banks</i>
\$25,000	3	\$ 75,000	3
26,000	2	127,000	5
27,000	2	181,000	7

---
