Major Series Changes

Beginning October 31, 1987, the title for the FR 2072 report was changed to "Monthly Report of Large International Banking Facility Accounts". Also the two residual items and the memorandum item on the report form were deleted. The remaining items on the report form fell

into two categories: "Permissible Assets in IBF Accounts" and "Permissible Liabilities in IBF Accounts".

Prior to October 31, 1987, the title for the FR 2072 report was "Monthly Report of International Banking Facility Accounts" and the frequency of reporting was monthly, as of the last Wednesday of the month.

Beginning December 1983, items concerning the maturity of liabilities in IBF accounts were changed to 7 days from 14 days.

Prior to September 28, 1983, the frequency of reporting was weekly.
