Name: Anonymous

Submitted Date: 04/07/2025

FR 1583

This existing collection was created by an unauthorized person and regulatory processes were not followed. It should be mandatory to report dividends by any financial institution in order to ensure that the funds are properly invested and disclose the details of the investment type for record keeping requirements. This contract does not need to be renewed due to noncompliance with the law and regulations for reporting of dividends.
