Proposal and Comment Information

Title: Agency Information Collection (FR 4008), ICP-202510

Comment ID: FR-2025-0021-01-C03

Submitter Information

Name: Anonymous

Submitted Date: 05/26/2025

FR 4008 OMB 7100-0131

This agency collection was not properly implemented and typically is utilized within corporate practices. There is no valid purpose for the organization to maintain the buy or sell of bank stocks. This collection would not be relevant for an average person who has an insignificant amount of shares of bank stocks and whom has independently decided to buy or sell shares is a personal choice.

In corporate sector, yes the laws state Board Members and upper management are required to report their stock trades with perhaps a threshold in place.
