**Comment ID:** FR-2025-0077-01-C157

## Subject

Comment Future of the Federal Reserve Banks' Check Services

## Submitter Information

**Name:** Christina Shetterly

**Submitted Date:** 12/28/2025

To Whom It May Concern:

I work in American blue-collar manufacturing with a great many old school businesses. I deposit dozens of paper checks sent to us from our customers daily. And we, as a small business, still pay many of our vendors by paper check, which is preferred by many. I absolutely oppose the elimination of the paper check. It's an absurd proposal and will exclude and inconvenience a percentage of the population, including small businesses like ours. Please shelve the idea of eliminating the paper check.

Thank you,  
Christina Shetterly
