Proposal and Comment Information

Title: Prohibition on Use of Reputation Risk or Other Supervisory Tools to Encourage or Compel Banking Organizations to Engage in Politicized or Unlawful Discrimination, R-1884

Comment ID: FR-2026-0002-01-C1874

Submitter Information

Name: Anonymous

Submitted Date: 03/11/2026

I request that this proposal be denied immediately. Allowing puritanical ideology to deny consenting consumers and vendors from having transaction over lawful content is yet another repeat of Craig v. Masterpiece that we do not need. Payment processors, among other businesses associated with transactional processes, need to realize that they are serving a large and varied consumer base, and deal with their differences in other, private manners that do not affect their business models.
